

THE PRODIGAL'S SONG

BY BRAD DAMAS

v1:

seeking forgiveness, i bow at your throne
and humble my heart to Your Word
accepting your mercy, my sin on your cross
at such a price undeserved

chorus:

you sing redemption to me
and offer your love with no ends
and i sing the prodigals song
i'm coming home my God

v2:

seeing your goodness eclipsing my shame
reflecting the heart of a king
you came for the broken, the weary, the lame
you came for my life just the same

bridge:

hallelujah
hallelujah
hallelujah

hallelujah, my God has rescued me

changing the way you view church
